To GENNADIIJ. [i]

[13 groups unrecovered]

"KhOChEV" [ii] has been arrested. In the course of the search at "KhOChEV's" [49 groups unrecoverable]

that besides "ANATOLIJ" [iii], "KHEM[KIN]" [iv], "ABRAM" [v] and "VALENTIN" [vi] had been connected with him. KUCERA[KUCHERA] [vii] called in to see the "MISTRESS" [KhOZYaJKA] [viii] after ChERNYSheV [ix] [a] and related the above, adding that "ANATOLIJ" might be arrested. The "MISTRESS" sent a telegram to the NKID [x] today containing a protest [b] concerning the sending of "ANATOLIJ" to the USSR. The necessary [RE] precautionary measures have been taken by us.

No. 11
30 January 1945

VALERIAN [xi]

Notes: [a] Presumably this means that ChERNYSheV had visited the MISTRESS previously.
[b] "protest" - a one-digit garble would give "request", which seems more likely in this context.
